IN MEMORIAM

CONSTANCE ANN BLICK

Connie, who would have been a Senior at B.H.S. this year, died August 17, 1960. The news of her death brought shock and sadness to her many friends at Brunswick High School.

At B.H.S. she was an active member of the Tri-Hi-Y, and she had been chosen Vice-President for the 1960-61 year. She also belonged to the F.H.A., Glee Club, and she would have been a member of the 1960-61 Bow-Wow Staff. Connie was indeed a friend, always willing to lend a helping hand whenever she could. Knowing her capability, the Southside District Methodist Youth Fellowship elected her as their President. She had been active in church work from her very young years.

Her wonderful personality revealed her kindness and thoughtful consideration to friends and strangers alike. Connie's passing has left a void in our class roll as well as in our hearts.

It is with sadness that we dedicate this annual to her memory.

DECISIONS,

DECISIONS,

In certain places of our society, it is a popularly accepted "belief" that all teenagers are frivolous in outlook, interested only in attending football games, dancing to rock-and-roll records (or their more recent successors in juvenile fancy, riding in hot rods, and generally "living it up". On these pages we should like to correct that misconception by showing the serious side of life at B.H.S.

ALWAYS

DECISIONS

During our senior year we have many decisions that must be made which have direct bearing upon our entire future, and for this future, we must be prepared. In that preparation we have our library work, our tests to struggle through, homework to read with understanding, and many other questions such as--is that the right answer, should I date tonight or do my homework, or whom do I like the most: Dave, Fred or Steve?

Tests and More Tests

May I have your attention please:

Mrs. Cowan would like to see the Girl's Football Team in the gym.--teachers may pick up their bills in the office--will the Boy's J. V. Cheerleaders please report to the gym at the five minute break--will the Girl's Hi-Y Club meet in the smoking room at the five minute break--while walking through the gym, beware of sliding girls.

Remember this Friday and show them just how much you do think of your school! You owe it to Brunswick High, to the other students, and to yourselves to display the right kind of spirit. It is your duty to get the older people pepped up so they will want to help you out and join in fun that night.

Of course, the same goes for your sense at the game. Since this is one of the most important games, you want to know it. The more cheering and the boys get, the more they will win; and as this device becomes the better they will be able to win. SPORTS

Brunswick lost a hard fought contest to Prince Edward Academy of Farmville October 21, by the score of 19-7.

Playing before a large homecoming crowd, Farmville jumped off to an early lead on a single touchdown in the first period but the Bulldogs jumped right back on a long drive with Charlie Lewis finally scoring from six yards out and going ahead on Loyd Bell's conversion.

After that, Farmville's defense tightened up and held Brunswick senseless while their offense scored once in the third and fourth periods to win, 19-7.

B.H.S. Ties Amelia 13-13

Brunswick dried out the wet homecoming a little October 28 by fighting a strong Amelia team to a 13-13 tie.

Amelia scored in the first period and led at the half as Brunswick never could get going. But after the half, the Bulldogs came back and scored on a Loyd Bell touchdown to tie the game up at the end of the third period.

Clary's extra point made it 7-0.

Brunswick scored again mid-way the second period when Charles Lewis went over from two yards out. The half ended with Brunswick ahead, 13-0.

The third period went scoreless as Brunswick displayed strong defensive power in stopping the Rams cold. But then in the last period the Bulldogs started rolling again as they drove from their own 20 to the 50. Then Everette Miller broke through the line and outran several players to the goal for Brunswick's third touchdown of the night and wrap up the victory for the Bulldogs.

In winning, Brunswick moved up to the middle of the standings with a 2-2-1 record in district play. Also, the game was Brunswick's last for the season at home, ending up with 2 wins, 2 losses, and 1 tie for the first season on the new athletic field.

BRUNSWICK BAND

The Brunswick High Band is now in its seventh year. As a musical organization of merit, its existence is expressly an opportunity for those students who seek an understanding and appreciation of music by learning to play an instrument well enough to be on the team of varied players that make up a band. The work of the band is divided into two parts, marching or football activities and concert work. There is valuable experience to be gained from preparing and presenting all of the many appearances the band makes each year.

Activities of the year included performance at all home football games and two games away at Farmville and Park View. The band assisted the cheerleaders in providing school spirit at pep rallies. The Homecoming Parade, the University of Virginia Band Day, the Christmas program downtown Lawrenceville were other outdoor activities. In the spring there will be preparations for the district three band festival and the culmination of the years work in the formal spring concert.

Band Director, Wayne Burgess makes a few points to John Lambdin, Larry Taylor, and Mary Alice Johnson.

Though our beginning has been modest and our music has been limited by the absence of male voices in our ranks, we hope to arouse greater interest and to enlist the participation of even more girls and some boys each succeeding year.

During the school year we sing for special chapel programs and Thanksgiving, Christmas, Easter, and the Baccalaureate and Commencement Services.

We hope that our vocal endeavors have and will contribute to the tone and spirit of each member individually and to the school as a whole.

CONGRATULATIONS TO THE CLASS OF 1961

Farmers and Merchants Bank endorses what Benjamin Franklin said: "An investment in knowledge pays the best interest." You have successfully completed your high school education and have accumulated knowledge that will be of use to you in your future careers—Careers that will embrace such diversified fields as business, the professions, agriculture or homemaking. No matter what career you have chosen, your quest for knowledge should continue as you will always be able to draw upon this investment the rest of your life.

The Staff of Farmers and Merchants Bank has accumulated "collectively" over 230 years of banking know-how which we will be pleased to share with you. We invite you to discuss with any of our friendly staff your individual financial needs. We will be delighted to advise you on the approximate cost of attending your favorite college, or business school; the financing of an automobile, farm equipment or home. In our 30 years of service in this community, we have helped many folks handle their financial problems - we are ready to help you.
